- Mentoring and counselling of slow learners are part of teaching and learning process.

6.3.3 Examination and Evaluation

- Three Internal Assessment Test are conducted and are being evaluated within 3 days after completion the exams.

- Internal marks are allotted based on the assessment test marks and the student's attendance Percentage.

- Theory and practical examinations consists of two components Namely, External evaluation for 80% marks and internal evaluation for 20% marks. Every day Slip test are conducted for all the subjects.

- The attendance as well as the assessment marks is communicated to the parents through mobile, e-mails, letters and parent teachers meeting conducted every semester to review the performance of the students.

- Counselling of students every month to find out the academic progress and guide them towards improvement based on remedial classes.

6.3.4 Research and Development

- The Research and Development Cell is established with an objective of promoting research by students and the faculty members in newly emerging and challenging areas of Engineering, Technology, Science and Humanities. R&D Cell encourages the faculty members and students for sending research proposals and receiving funds from various research bodies.

- Faculty provided with On – Duty, Registration fee refunds for participating in conference, FDP, Seminars etc.

- Encouraging faculty to organize, attend and present papers at state/national/international conferences and seminars.

- Faculty members and students are motivated to publish their research papers in reputed national and international journals / conferences. Faculty members are guiding the students to do grant-in aid research under student project scheme. Experts from reputed institutions are invited for R & D related interactions. The project proposals are usually examined and evaluated by the Project scrutinizing committee before they get sent to the funding agency.

6.3.5   Library, ICT and physical infrastructure / instrumentation

- **Library** has sufficient e-journals which include Science direct, Springer & IEEE etc. and sufficient back volumes for all the departments. Digital library facilities with National and International online journals are also provided. Library administrations like issue / return of books are maintained through commercial library software. The library building is enabled with Wi-fi facility. Every year, additional volumes of books are added based on the requirements from all the departments.
- **ICT:** All class rooms, tutorials rooms, seminar halls, laboratories pertaining each department is enabled with ICT tools. For every subject, power point presentation and animated videos are being prepared by the faculty members and it is used for taking classes in an interactive way.

6.3.6   Human Resource Management

- As per the AICTE & Anna university norms, faculty and staff requirement is forwarded to Recruitment committee consisting of Principal, Dean Academics, HOD, senior faculty and External subject expertise for further action.
- Arranging various orientation programmes for both teaching and non-teaching faculty members for upgrading their skills in their respective fields using latest technology.
- Incentives are given to the faculty members for presenting research papers in reputed Journals / International and National Conferences.
- Faculties are supported financially to attend Conference / Workshop & FDP's conducted outside the Institution.

6.3.7   Faculty and Staff recruitment

- Based on the vacancy in all departments for all positions, advertisement is published in the leading newspapers and in college website.

- The recruitment committee comprises Principal, HOD's and senior faculties will conduct the interview and select the candidates and further approval is based on qualification, experience and performance

6.3.8   Industry Interaction / Collaboration

- The institution emphasizes upon career development of the students. This can be achieved by establishing MoUs with reputed core industries to enhance Industry-Institute Interaction activities like internships, industrial visits, in-plant trainings, value added courses, industrial projects, guest lectures etc., for the benefit of students.
- Entrepreneur Development Cell (EDC) is functioning for enhancing the industry-institute relationship.
- Arranging industrial visits, in-plant training and internship programmes to the students, for getting practical exposure and knowledge in the industrial environment.
- Providing internship training programme for the faculty members from industry to update their knowledge on present day industrial scenario.
- Collaborating with the industry for R & D Projects.

6.3.9   Admission of Students

Admission Procedure:

Admissions are made upon the basis of Tamil Nadu Engineering Admissions–single window system procedure for the government quota students and through the consortium of self-financing engineering colleges for the management quota students.

6.4 Welfare schemes for

Teaching Staffs	**Non-Teaching Staffs**
• Staff Welfare Fund	• Staff Welfare Fund

In Process

6.11 Activities and support from the Alumni Association

- Institute conducts alumni meet every year. Alumni are invited to visit the college for guest lecturers & interaction with students to enhance the knowledge & skills of the students.
- The alumni help in bringing industries and companies for campus Placements and provide employment opportunities to the students.
- Few students of the alumni are entrepreneurs; they motivate and guide the students to become entrepreneurs.

6.12 Activities and support from the Parent – Teacher Association

-NA-

6.13 Development programmes for support staff

- College continues to conduct skilled development program to the non – teaching staff every semester.
- Introduction to Adobe Photoshop, PC Assembling and Troubleshooting skill development workshops were organized for faculty members.

6.14 Initiatives taken by the institution to make the campus eco-friendly

- E-Waste management.
- Clean India.
- Rainwater Harvesting.
- Solar Panels were installed.

Criterion – VII

7. Innovations and Best Practices

7.1 Innovations introduced during this academic year which have created a positive impact on the functioning of the institution. Give details.

1. Energy Auditing & Conservation
2. Renewable Energy Club
3. E-Waste Management
4. Entrepreneurship Development Programs have motivated several students to start-up their own enterprises
5. Battery/Solar Powered Vehicle
6. Bulk SMS System for Absentees
7. Digital Library
8. Rain Water Harvesting
9. Fine Arts Club
10. Manavar Tamil Mandram

7.2 Provide the Action Taken Report (ATR) based on the plan of action decided upon at the beginning of the year

- Courses allotted to the teachers for UG & PG programmes were completed on time.
- Efforts taken towards 100 % result through coaching class

7.3 Give two Best Practices of the institution *(please see the format in the NAAC Self-study Manuals)*

> 1. Celebration of Birth Anniversary of all Great Personalities of India.
> 2. Self Study Silent Hall (SSSH) for students' peer learning in a silent atmosphere.

*Details are attached in Annexure III

7.4 Contribution to environmental awareness / protection

> - Planted saplings in and around the campus through various students and facultyies initiated/involved programs.
> - Created awareness in the locality regarding the cleanliness, plastic free zone, no-smoking or sale of tobacco.

VISION

"Educate to excel in social transformation"

To accomplish and maintain international eminence and become a model institution for higher learning through dedicated development of minds, advancement of knowledge and professional application of skills to meet the global demands.

MISSION

To contribute to the development of human resources in the form of professional engineers and managers of international excellence and competence with high motivation and dynamism, who besides serving as ideal citizen of our country will contribute substantially to the economic development and advancement in their chosen areas of specialization.

To build the institution with international repute in education in several areas at several levels with specific emphasis to promote higher education and research through strong institute-industry interaction and consultancy.

ABOUT THE COLLEGE

Valliammai Engineering College was incepted in September 9, 1999. It is situated in an expansion of 13.35 acres and is by the side of NH 45, between Tambaram and Chengalpet. The serene atmosphere with the surrounding greenery is conducive to the pursuit of higher studies.

The college functions in a multi-storied building complexes of 60,151 square meters to accommodate the demands of the ever increasing number of students.

It is approved by AICTE, New Delhi, Accredited by NBA, 'A' Grade Accreditation by NAAC, ISO Certified and Affiliated to Anna University Chennai.

The courses offered and approved intake in each course are given below.

1. **B.E/B.Tech**

   - Computer Science and Engineering*❖ 120
   - Electronics and Communication Engineering*❖ 180
   - Electrical and Electronics Engineering*❖ 120
   - Electronics and Instrumentation Engineering*❖ 120
   - Mechanical Engineering*❖ 180
   - Civil Engineering 180
   - Information Technology 120

2. **Post Graduate Courses**

   - M.C.A 60
   - M.B.A 120
   - M.E. (Control & Instrumentation Engg.) 18
   - M.E. (Power System Engg.) 18
   - M.E. (Computer Science and Engg.) 18
   - M.E. (Communication Systems) 18
   - M.E. (CAD / CAM) 18
   - M.E. (Structural Engg.) 18

More than 300 well qualified committed staff impart updated knowledge and skills, along with the subjects in the prescribed syllabus. The student strength is over 4000 in this academic year. The well ventilated classrooms, well equipped laboratories, educationally stocked library and other infrastructure facilities effectively aid the learning process.

GENERAL INSTRUCTIONS TO STUDENTS

- Students should wear and display ID cards while in the campus.
- Cell phone should not be used in the campus.
- Students should be regular in attending classes in time.
- Students should actively involve in curricular, co-curricular and extra curricular activities.
- Leave letters should be submitted in advance.
- Students should not involve in malpractice during examinations.

Attendance

Leave letters should be signed/counter signed by parents/guardians. Medical leave letters should be accompanied by medical certificate and to be produced in time. Prior permission must be obtained to avail of leave, failing which the leave letters should be submitted on the day of reporting back to the college or within two days from the commencement of leave, whichever is earlier.

Dress code

Male students are to wear clean decent formal pants and shirts neatly tucked-in. Female students are expected to be dressed in sarees or salwar kameez with pinned up dupatta. Any other kind of dress is totally restricted. All the students are expected to wear proper, formal shoes only. **Chappals / sandals are not allowed**.

Dress Code for Laboratories

The uniform for laboratories of I,II,III and IV year students will be prescribed by their respective Heads of Departments.

SCHOLARSHIPS AND SPECIAL PRIZES

Various scholarships of Government of India and TamilNadu Government are given for BC/MBC/SC/ST students as per rules. National merit scholarships, service scholarships and special scholarships for children of cine workers are also available.

Our Chairman has instituted Dr. T.P. Ganesan Trust Award from the year 1999 with an objective to provide financial assistance to the deserving wards of the employees of the S.R.M. Group of institutions. These assistances are to be granted to the wards in the form of tuition fees waiver and scholarships. Cash awards and merit certificates are given for

- 100% attendance
- Toppers of each course from all semester in Anna University Exams
- Highest marks in the College / University examinations
- Special Achievers Awards for outstanding performance in co-curricular and extra- curricular activities
- Best Performers in sports Activities

- Best outgoing student from each department.

VALUE ADDED COURSES

In every semester, several Value added courses are conducted regularly in various departments during outside regular hours on optional basis. This is to provide an opportunity for the students and staffs to choose the courses according to their desire and inclination. The courses are offered to bridge the perceived technical competency gaps and to improve the employability prospects of the students.

Fine Arts Club

The "Fine Arts Club" was incepted in the academic year 2016-17.The active members of the club are 20 faculty members both Teaching , Non teaching and 30 students representatives. Through this club, students are actively participating in inter collegiate events in various colleges. RULES & REGULATIONS FOR VEC STUDENTS

1. To enforce discipline among students, dress code of the college is strictly adhered to. They should attend the college in formal dress. The boys are not supposed to wear jeans and T-shirts when they attend college and girls should wear churidars with pinned dupattas.

2. Students should wear black or brown shoes only.

3. Students should wear valid college ID cards with tags and it should not be kept in the pockets/bags. Otherwise, they will not be permitted to enter the campus and attend the classes.

4. All undergraduate (UG) students should wear laboratory coats whenever they attend laboratory classes.

5. Students should not bring mobile phones to college. For emergency, a common phone facility is available on payment basis. However, if a student is found using mobile phone, he/she will be suspended for 10 working days. In the beginning of every semester, every student on roll should register for that semester as per Registration Form with an Undertaking, failing which the student will not be permitted to attend classes.

6. Students should be regular and punctual in attending classes and all activities connected to the college. Late comers will not be allowed to attend classes under any circumstances.

7. If a student does not attend college without prior permission for more than three days consecutively, it will be intimated to the parents. Parents should meet the HOD concerned along with the student and should give a written undertaking, as per Format A, confirming regular attendance thereof, and then only the student will be permitted to attend further classes.

8. Periodical Tests will be conducted for all the departments on common dates as per the schedule, communicated in the beginning of every semester.

9. If a student fails to attend Periodical Tests the student will be awarded zero mark. Retest will be conducted only for the student with genuine reason.

10. Procedures for awarding marks for internal assessment(IA): The maximum marks assigned to different courses shall be as given below: Each of the theory and practical courses (including project work) shall carry a maximum of 100 marks of which 20 marks will be through internal assessment and the End Semester Examination (ESE) will carry 80 marks. The marks for the continuous assessment shall be awarded as per the procedure given below:

    Theory Courses: Three tests each carrying 100 marks shall be conducted during the semester by the Department / College concerned. The total marks obtained in all tests put together out of 300, shall be proportionately reduced for 20 marks and rounded to the nearest integer (This also implies equal weightage to all the three tests).

    Practical Courses: The maximum marks for Internal Assessment shall be 20 in case of practical courses. Every practical exercise / experiment shall be evaluated based on conduct of experiment / exercise and records maintained. There shall be at least one test. The criteria for arriving at the Internal Assessment marks of 20 is as follows: 75 marks shall be awarded for successful completion of all the prescribed experiments done in the Laboratory and 25 marks for the test. The total mark shall be reduced to 20 and rounded to the

nearest integer. For further details, please refer Regulations 2013/2017 as the case may be. However, at the end of every Periodical Test, the progress report as per Format B, will be sent by post / handed over to students for getting the signature of their parents and the same should be returned to the coordinator within a week.

11. During the working hours, students should be in their respective classrooms / laboratories or library. They should not loiter or gather in common places like portico, pathways and canteen.

12. Attendance percentage is calculated as follows

$$\% \text{ Attendance } = \frac{\text{Total number of periods attended}}{\text{Total number of periods conducted}} \times 100$$

Students having less than 75% of attendance will be counselled by the Class Co-ordinator every fortnight. In turn, the student should submit an undertaking to the Co-ordinator as per Format C, confirming regular attendance, thereof.

13. Indiscipline of students, in any form, will be viewed very seriously and such students will be issued TC, irrespective of their academic performance.

14. As per the rules of the Anna University, a student who fails to maintain a minimum of 75% of attendance, in a particular semester, will be detained. Such student is not eligible to appear for the University examinations in that semester and he/she cannot continue his/her studies in the subsequent semester. He has to redo the courses of that semester along with his juniors in the subsequent academic year. However, he/she will be permitted to appear for arrear examinations.

15. Students, who have three or more arrears, will be considered as poor performers and special classes will be conducted for such students from 4.00 pm to 5.00 pm on all working days. All the poor performers should attend such special classes without fail. Such of those poor performers, who secure more than 75% of marks in all the subjects in the Periodical Tests conducted subsequently, will be exempted from attending special classes. However, if such students do not perform well in the next Periodical Tests, they have to continue attending special classes. All the poor performers should abide by this rule of VEC and TC will be issued to the defaulters.

16. In practical classes, students should complete all previous record work in all aspects. In the absence of that, they will not be permitted to do the next experiment.

17. Students are strictly instructed not to attend any works such as NSS, Sports, Placement, Conference and Seminar without prior approval from the HOD concerned and Principal.
