CONSTRUO '16, the Fifth National Level Students' Technical Symposium was organized on 24th September, 2016. It was inaugurated by Ms.R.Geetha, Divisional Engineer (Design), Highways Dept, Chennai. This inaugural function was presided by the Director of VEC, Dr.T.P.Ganesan and was also addressed by the Head of the Dept Dr.D.Elango. Technical events like Paper Presentation, Poster Presentation, Technical quiz, CADD Quest and non-technical events like Ship Wreck, Minute to Win, Connexion, and Surprise Event were conducted. Around 61 technical papers were received, out of which 30 papers were selected for presentation. Totally 150 Students from various Engineering colleges across Tamil Nadu attended the symposium. The best performers were awarded in the valedictory function. ■

Venkateshwara College of Engineering on 3rd September, 2016.

E.Sathriyan of Third year Section III attended the Model United Nations (UNGA-ESS) Conference, representing 'COLUMBIA' held at SSN Engineering College on 17th September 2016.

B.Aishwarya, E.ArunGowtham, M.Aadithya, R.Ashutosh Singh, A.L.Balambal, S.LoguPrasath, S.ManjuBarkavi, V.Moneesha, P.Malini, S.Ramkumar, S.Supriya, K.Varsha, B.Yogalakshmi, S.Sathish, R.Vignesh, U.Sadhana, R.SaiKarthick, P.Sridhar of second year attended a one day Workshop on the 'Environmental Sustainability' held at SRM University on 20th September 2016.

The Department of Electronics and Communication Engineering

The Research Center has been renewed and the recognition has been extended till June 2019. The recognized supervisors of the ECE Dept are permitted to guide the candidates of the Ph.D/M.S (By Research) programs.

Totally 92 candidates were enrolled in the National Programme on Technology Enhanced Learning (NPTEL) Programme via our Local Chapter during July 2016.

Kaar Technologies conducted their Campus Drive at SRM University for 2017 batch students with a compensation of Rs.5 Lakh per annum. Debnita Kar was selected in the interview.

IONIXX Technologies conducted their Campus Recruitment at VEC for the students of 2017 batch with a compensation of Rs.3.5 to Rs.7 Lakh per annum. T.Sreenath got selected in the interview.

Maveric Systems conducted their Campus Drive at VEC for the students of 2017 batch with a compensation of Rs.3.75 Lakh per annum. Balaji Venkateswaran.S & Meenatchi.R were recruited for this company.

Wipro Software Solutions conducted their Campus Interview at VEC for the students of 2017 batch with a compensation of Rs.3.3 to Rs.3.8 Lakh per annum. 11 Students got placed in this Software Solutions.

Accenture Software Solutions conducted their Campus Interview on 27 & 28.09.2016 at VEC for the eligible students of 2017 batch with a compensation of Rs.3.5 Lakh per annum. Eventually, 52 Students from our dept got selected in this campus recruitment.

Faculty members, Research scholars and PG Students of our Dept attended the seminar on the 'Challenges of Handover Management in 5G mobile Network' presented by Mr.K.Balamurugan, Research Scholar under the supervision of Dr.B.Chidambararajan, Principal, VEC.

Mr.Raakesh Raja Karuppiyah Ramachandran, Final year ECE attended the one month Internship programme on the 'Analysis of Electrical Parameters of Solar Panel for wireless Sensor Nodes in Animal Monitoring' under the Supervisors Prof Havinga, Prof Meratnia, Prof Zhang, University of Twente, Enschede, Netherlands during June 20, 2016-July 20, 2016.

Release of souvenir of the National Level Technical Symposium TARAS '16

The 12th National Level Technical Symposium was organized on the 17th September 2016 in association with ISTE & IETE Students' Forum. The National Symposium TARAS'16 was inaugurated by the Chief Guest Mr. Jebanand K.C, Head-Client Relationship & Senior Solution Architect, IONIXX Technologies, Chennai. In the inaugural address, the Chief Guest emphasized the importance of Python, Software solutions, Gaming Applications for the Next Generation Trends and social development. ■

Amrish.A.K, Debnita Kar, Kaushik.K of our Institution attended the CII Organization meet on the 'Education and Innovation' on 29.07.2016 at Taj Coromandel, Chennai.

Mr. Senthilmurugan S, Assistant Professor participated in an AICTE Sponsored Short Term Course on the 'Microelectronics: from Fundamentals to Devices' organized by the Dept of Electrical Engineering, IIT Madras held from 11th to 16th July 2016.

Mr. Sanjay K, Assistant Professor participated in the IET & IETE Sponsored Workshop on the 'Speech Signal Processing- WSSP 16' organized by the Dept of Electronics and Communication Engineering, SRM University held on 16th-17th August 2016.

Dr. Ramesh S, Mrs. Birundha R, Mr. Dhananjeyan R participated in a two day Workshop on the 'Advanced Antenna Design and Applications' organized by the Dept of Electronics and Communication Engineering, SRM University held on 26th-27th August 2016.

Naveen.K.N, Janani.B, Arthi A.T, Divya V, Akshaya Raj A.P of our Dept attended a Webinar on the 'Career Guidance' organized by the Confederation of Indian Industries on 12.07.2016.

A Workshop on the 'Internet of Things' was conducted by the Dept of ECE in association with IETE Students' Forum on the 17th September 2016. The Chief Guest Mr.Muhammed Ilyas, Project Engineer, Altsense Company, Chennai delivered a lecture.

On the occasion of the Seminar on the 'Applications of 5G Technology'

A Seminar on the 'Applications of 5G Technology' was conducted on the 20th July 2016. The Chief Guest Mr.R.Ganesh, JTO, BSNL, Chennai delivered a lecture on the 'Evolution of Mobile Communication'.

A Workshop on 'PCB Designing' in association with IETE Students' Forum on the 12th August 2016. The Chief Guest Mr. K.V.Mahesh, Design Engineer, Allied Electronics Company, Chennai delivered a lecture.

Expert Lecture on 'PYTHON in Communication'

An Expert Lecture on 'PYTHON in Communication' was delivered on the 1st September 2016 by the Chief Guest Mr. P.Yogaraj, Associate Projects, Cognizant Technology Solutions, Chennai.

The following Staff members presented their papers in the Knowledge Sharing Seminar (Tech Talk).

- a. Dr. J.Mohan, Asso. Prof., on 'Signal Integrity in High Speed system design' on 12.07.2016.

- b. Mrs.S.Subbulakshmi, Asst Prof., on 'An FFT Architecture for Real Valued Signals' on 29.07.2016.
- c. Mr.M.ASeenivasan, Asst Prof., on 'A 65nm Programmable ANalog Device Array (PANDA) for Analog Circuit Emulation' on 26.08.2016.
- d. Ms.N. Subhashini, Asst Prof., on 'In-Vivo Communication' on 09.09.2016.

The Department of Computer Science and Engineering

Seminar on 'Android Application Development'

A one day seminar was conducted on the 'Android Application Development' to UG and PG students on 29th Friday 2016. Mr.S.A.Sundara Pandyan, Software Development Manager, Amazon addressed the students.

The Staff members of CSE Dept went on an industrial visit to 'VI Micro System Pvt Ltd' Perungudi, Chennai on Saturday, 2nd July 2016.

A Guest Lecture was delivered on the 'Security Issues in Cloud Computing' in association with the computer Society of India on 23rd August 2016 by Dr.V.Neelanarayanan, Professor, VIT University, Chennai.

Mini project Expo-2k16 was organized by the Dept of Computer Science and Engineering, in association with the CSI Student Branch on 22-08-16. Various projects like Mobile applications, hacking, web development, Vanet and security applications, etc., were demonstrated. Based on the performance, best 3 projects were selected, out of 27 projects.

Release of souvenir of the National Level Technical Symposium Cyborgs 2k16

A National Level Technical Symposium Cyborgs 2k16 was conducted on 27.08.2016. The symposium was inaugurated by Mr. P. S. Ravi Kiran, Chief Technology Officer, GoDB Tech (P) Ltd, Chennai. The chief guest emphasized the importance of cloud Computing, Usage of Mobile Devices, Neural Networks and Machine Learning, Which aims for the Future economic and social development of the society. Dr.M.Murugan, Vice - Principal, VEC Presided over and felicitated the inaugural function along with our HOD Prof.Dr.B.Vanathi. There were 204 enthusiastic participants from various colleges. ■

Guest Lecture on the 'Advanced Linear Devices and its applications in industries'

A Guest Lecture on the 'Advanced Linear Devices and its applications in industries' was organized on 18th August 2016. Mr.E.Arunkumar, ME (Ph.D), Vice President, RETECH Solutions Pvt. Ltd., & Mr.S.Veeramani, ME, MATLAB and Embedded Developer, RETECH Solutions Pvt. Ltd., were the Resource Persons.

IEEE technical talk was conducted by the Dept of Electrical and Electronics Engineering in association with IEEE Technical Club. Our Staff presented technical talks on different topics. The details are as follows.

Seminar on the 'Electromagnetic Transients'

- S.Padhmanabha Iyappan, AP(Sr.G) on 'Electric power quality, harmonic reduction and energy saving using modulated power filters and capacitor compensators' on 03.08.2016.
- V.Sudhagar, AP(O.G) on AC/DC Power Flow on 08.08.2016.
- T.Santhoshkumar, AP(O.G) on 'Small Signal Stability Analysis of Power Systems with DSSG Based Wind Power Penetration' on 06.09.2016.

Release of souvenir of the National Level Technical Symposium EMERGE 2k16

Department of Electrical and Electronics Engineering in association with IEEE Valliammai Student branch and Renewable Energy Club conducted a National Level Technical Symposium EMERGE 2k16 on 13th August 2016.

The inaugural session began with the welcome Address by President Mr.S.Shrivathsan. Dr.M.Murugan, Vice Principal felicitated the gathering and congratulated the office bearers. The Chief Guest Mr.R.Karthikeyan, Deputy General Manager, TEDA, delivered the Inaugural Address.

He stressed the need of identification and estimation of renewable energy, creation of awareness among stake holders, encouragement of research and development. ■

- Ms.A.Anuradha, AP(O.G) on 'Wide Area Voltage Monitoring' on 12.09.2016.

A one day seminar on the 'Electromagnetic Transients' was conducted on 26th September 2016. Mr.V.P.Boopathy, M.E., (Ph.D), EMTP Supporting Engineer Power Sys Solutions was the Resource Person.

Students on an Industrial Visit to Pykara Hydro Power Plant

Inauguration of Solar Power Plant at VEC First Year Block by Dr.T.P.Ganesan, the Director on 28.09.2016.a

The students of third year EEE1 went on an industrial visit on 23rd and 24th September 2016 to KUNDAH & PYKARA Hydro Power Plant.

Our student V.Vijayabharathi of III year EEE2 won the first prize in the State Level poetry competition conducted on 24.09.2016.

The Department of Information Technology

An Industrial Visit at 'Rajiv Gandhi Memorial Telecom Training Centre (RGMTC), Chennai' was organized on 28th September 2016.

An Industrial Visit at 'BSNL - DTTC, Chennai' was organized on 26th September 2016.

Seminar on the 'Cyber Forensics'

A Seminar on the 'Cyber Forensics' was organized on 11th August 2016 and Dr. N.Kala Baskar, Director-in-charge, Centre for Cyber Forensics & Information Security, University of Madras, Chennai was the Chief Guest.

An Industrial Visit to IP Rings Ltd., Maraimalainagar

A Guest Lecture by Ms.R.Udhaya Lakshmi, Program Manager, Digital Home Division, Jasmine Infotech Pvt Ltd, Chennai on the 'DSP in Modern Technologies' was organized on 2nd August 2016.

Guest Lecture on the 'Issues in Network Security'

All Teaching Staff went on an Industrial Visit to 'IP Rings Ltd, Maraimalainagar' on 16th July 2016.

A Guest Lecture on the 'Issues in Network Security' was organized on 26th July 2016 and Mr.Reegun Richard, Senior Security Analyst, Symantec Corporation, Chennai was the Chief Guest.

FDP on the 'Grid and Cloud Computing'

"Mini Project Expo 2k16"

A two day Faculty Development Program on the 'Grid and Cloud Computing' was organized on 30th June and 1st July 2016 and IT Staff members were the Resource Persons.

A One day "Mini Project Expo 2k16" was organized by the Dept of Information Technology on 2nd September 2016. The objective of this program was to enrich the Hands-on training for the students for enhancing their confidence level and also to provide a platform to share their knowledge and exhibit the work of multiple technologies..

Ms.J.Ponni, A.P successfully completed the requirements for 'EMC Academic Associate, Data Science and Big Data Analytics' on 16th August 2016.

Ms. R.Shanthi, A.P, participated in a two day Workshop on the 'Machine Learning Using MATLAB' conducted on 6th & 7th August 2016, by the Dept of CSE, Faculty of Engineering Technology, SRM University.

Ms. R.Shanthi, A.P presented a paper on the 'Retinal Fundus Abnormalities and Image Acquisition Techniques A Survey' and Ms. R.Shanthi, A.P presented a paper on 'A Probabilistic Continuous Random field Model for Vessel Segmentation finding Optic Disk Location in fundus to Diagnose Glaucoma' in the National Conference on 'Computational Intelligence and High Performance Computing' organized by the Dept of CSE, Faculty of Engineering and Technology, SRM University.

Value Added Courses

Value Added Courses were planned and conducted outside the regular hours on optional basis for the year 2016-2017 for Odd Semester students to provide an opportunity to choose the courses for enhancing their technical skills. The courses were expected to bridge the perceived technical competency gaps and to improve the employability prospects of the students. 7 courses were conducted during the Odd Semester and 189 students participated in it. The Courses were pertaining to all the branches and some of the Courses were 'Drafting and Modelling Software Using Autocad, PHP and MySQL, MATLAB for Computer Control of Process and Signal Processing, Java Programming Concepts, Mechanical Element Design and Modeling using Pro-Engineering, Logistics Management and Mobile Application Development for Android OS and so on.

The FOSS Courses from IIT Mumbai in this current semester has raised the standards by roping in 8 courses sponsored by the IIT Mumbai, Google and Ministry of HRD. The IIT Mumbai Free Open Source Software Courses were conducted and 445 students were enrolled. 258 students took the exams and 149 were certified. Presently, there are 8 ongoing courses wherein 400 students have been enrolled and are supposed to take their exams in March 2017. ■
